J. M. CREWS. PEYTON J. SMITH. For Representative—HUGH D. GREER. A. B. HAYNES. JAMES M. HARRIS. B. E. GAMMON.

JOHN OVERTON. JOSEPH BARBIERE.

The Grant newspapers are continually reproaching Mr. Greeley for apostacy, treachery and instability, because he has dared to criticize and condemn the wrongs of his own party. Some of these fledglings, who learned all they ever knew about politics from him, actually believe (they are so ill informed) that a great change has come over Horse Greeley. Some who now support him, who were formerly his political opponents, probably imagine the same thing. The fact is, Mr. Greeley's present position is a strong evidence of the stability and firmness of his character. It shows that a grant has been defined as the hands of once of the same thing. The fact is, Mr. Greeley's present position is a strong evidence of the stability and firmness of his character. It shows that a grant has been defined the property of provisions. A few wasks and while grants have a more of those with a supply of provisions. A few wasks and and a masculing the same than a deposit of provisions. A few wasks and while ground the commission business of his character. It shows that the hands of one of the same thing the whole of the last commencement day, and knows that the time, and the house was visited by the fact is may contain the greated hear of people from the surrounding districts. Many openly said that the pose of his have a more rigid examination to the cause of her death, but the excitement finally died away, and the occurrence was forgotten. McCormack and a pair of will be read to the first of the cause of her death, but the excitement finally died away, and the occurrence was forgotten. McCormack and a very surface of the cause of her death, but the correspondent will under the with the cut throng extended to the front surface of court streets is completed.

\*\*Some of the cause of her death, but the correspondent will under the court of the cause of her death, but the correspondent will under the court of the cause of her death, but the court of the cause of her death, but the court of the cause of her death, but the court of the cause

terest he would fail to expose wrong-deing and denounce bad men. The power of the great Republican party has not been able to make him swerve from this line of duty. When it became necessary to "denounce its candidate" for the highest office because he was In conclusion, permit me to say if Gratz Brown could conduct himself so discreetly, and make such sensible speeches as he did at New Haven, while change, this shows the highest evidence of firmness and boldness. The more Mr. Greeley is studied, the better he comes out. His enemies have alleged nothing against him but what turns, upon examination, to his credit. A more arty in which Butler is now enjoying youth. station and honor, very auxious lest something may turn up to disturb his quiet. John A. Logan grows prayerfully indignant, since he oined the church in a fit of delirium tremens, because Mr. Greeley is so unstable. Logan was killing two birds with one stone. He was trying to at Auburn.

bear with safety the criticism of a single five. year of their lives, and yet they talk is fitting through their noses about Mr. Greeley's instability and inconsistency. Mr. Greeley is too true to himself to be factory at Easten.

The Grand Duke of Mecklenburg-schwerin will cause the crection of a party that ignores and aban-schwerin will cause the crection of a party that ignores and aban-schwerin will cause the crection of a party that ignores and aban-schwerin will cause the crection of a party that ignores and aban-schwerin will cause the crection of a party that ignores and aban-schwerin will cause the crection of a party that ignores and aban-schwerin will cause the crection of a party that ignores and aban-schwerin will cause the crection of a party that ignores are constructed in the party that ignores are construct he has devoted a life-time. What Pres-idential candidate ever dared to refer late French and German war.

is twenty-seven years of age, and he lectures.

Is twenty-seven years of age, and he lectures.

Jennie Bronson Holbrook, the divorced wife of P. M. Holbrook, formerly proves, upon close scrutiny, to have had a life and career of remarkshie consistency, and to have offended his friends far more by the stubbornness of his honesty than by the weakness of his vacillation.

Is twenty-seven years of age, and he lectures.

Jennie Bronson Holbrook, the divorced wife of P. M. Holbrook, formerly proprietor of the New Orleans Picagum, has, by law, become possessor of the residence and household property of her husband.

Casar McGlendon, a freedman of Monroe county, Mississippi, brought the first sale of new cotton to Aberdeen in 1878.

This year his wife brought him a son,

proposes to succeed Brownlow and have himself elected by the Legisn-ture. He can do this if he defeat General Cheatham, serve nearly two years in the Lower House, smash Butler or get smashed, and after this keenly exquisite felicity, take his seat in the Senate. His first little pleasurable excitement will be distinct the south of the distinct of the shoot and water. His body was recovered. He leaves a wife and three children. He had been dissipating. Two young men of Geneva, Georgia, named Golsby and Anglin, recently because they have ceased to be women in all that constitutes true womanhood, consequently have ceased to charm men as in aforetime.

POLITICAL CLIPPINGS.

Letter from an Old Classmate of the Liberal Candidate for Governor.

Who was with Covernor Brown at Vale During the Commercement, and Denies the Charge.

The following letter is from the of the who, as a former classmate of Governor Brown at Yale, was with that gentle-

the Tribune. Read his own language:
"My leading idea was the establishment of a journal removed alike from servile partisanship, on the one hand, and from gagged, mineing neutrality on the other. I believed there was a happy medium between these extremes—a position from which a journalist might openly and heartily advocate the principles and recommend the measures of that party to which his convictions allied him, yet frankly dissent from its course on a particular question, and even denounce its candi
The design to their state of the tenth of July hast. I reached there during the same day. I met with the two points of the same night, and frequently during the succeeding day until ten o'clock in the evening, the hour at which he took his departure for New York, on his return homeward. If he was, to the slightest degree, under the influence of liquor during that time I round not select it. During the morning of the contents of a box were examined and the contents of a box were examined and letters found, signed by Joseph Mallory, Alice's lover, dated Aspinwall, October 15, 1861, addressed to Miss Alice MecCormack. He wrote that he had broken the found of the tenth of July he attended the contents of a box were examined and incomplete the found of him, broke into the house a day or two ago, and discovered to their horror, fying at full length upon a cot, the body of McCormack, partially decomposed, while portions of the arms and limbs were found frightfully mutilated by rats and other vermin. The contents of a box were examined and limbs were found frightfully mutilated by rats and other vermin. The contents of a box were examined and limbs were found frightfully mutilated by rats and other vermin. The contents of a box were examined and limbs were found frightfully mutilated by rats and other vermin. The contents of a box were examined and limbs were found frightfully mutilated by rats and other vermin. The contents of a box were examined and limbs were found frightfully mutilated by rats and other vermin. The sent from its course on a particular question, and even denounce its candidates if they were shown to be deficient in capacity or (far worse) integrity." This was always the policy and practice of the Tribune. This was just what Mr. Greeley established it for. He had strong convictions, and, like all strong minds, powerful prejudices. But he was never owned by a party so that for party integred to find the constant of the confession of the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her upon the confession of her own parent, who, is marriage engagement with her confession of her own parent, who, is marriage engagement with her own the confession of he
